

**Postgraduate Institute of Science
University of Peradeniya
Revised Examination Timetable**

Academic Year: 2025/2026

Semester: I

Name of the Master Programme: Nanoscience and Nanotechnology

SLQF Level: 09

Date	Time	Course Code	Course Title	Venue
14.12.2025	9.00 am - 10.00 am	CHN 501	Introduction to Nanoscience and Nanotechnology	Physics Lower theatre
21.12.2025	9.00 am - 11.00 am	PHN 516	Applications of Nanomaterials in Local Industries	Physics Lower theatre
28.12.2025	9.00 am - 12.00 noon	PHN 502	Basic Physics for Nanoscience and Nanotechnology	Physics Lower theatre
04.01.2026	9.00 am - 11.00 am	CHN 503	Nanochemistry	Physics Lower theatre
11.01.2026	9.00 am - 11.00 am	CHN 522	Characterization Techniques for Nanomaterials	Physics Lower theatre
18.01.2026	9.00 am - 11.00 am	CHN 505	Biochemistry related to Nanoscience and Nanotechnology	Physics Lower theatre
25.01.2026	9.00 am - 11.00 am	PHN 506	Carbon Nanotubes and Particles	Physics Lower theatre
